

## ARBRES D'ORNEMENT

### Acer (Erable)

|                                    |    |
|------------------------------------|----|
| Acer capadocicum "aureum"          | Rn |
| Acer davidi                        | Rn |
| Acer negundo "argenteo marginata"  | Rn |
| Acer platanoïdes "crimson king"    | Rn |
| Acer platanoïdes "drummondii"      | Rn |
| Acer platanoïdes "autumn blaze"    | Rn |
| Acer saccharinum "pyramidalis"     | Rn |
| Acer saccharinum "wieri laciniata" | Rn |

### Aesculus (Marronnier)

|                           |    |
|---------------------------|----|
| Aesculus carnea "briotti" | Rn |
|---------------------------|----|

### Betula (Bouleau)

|                            |       |
|----------------------------|-------|
| Betula verrucosa "utilis"  | P     |
| Betula verrucosa "youngii" | Mo Co |

### Carpinus (Charme)

|                               |   |
|-------------------------------|---|
| Carpinus betulus "fastigiata" | P |
|-------------------------------|---|

### Catalpa

|                    |   |
|--------------------|---|
| Catalpa bignioïdes | P |
|--------------------|---|

### Fagus (Hêtre)

|                            |    |
|----------------------------|----|
| Fagus sylvatica "purpurea" | Rn |
|----------------------------|----|

### Liquidambar (Copalme d'Amérique)

|                         |      |
|-------------------------|------|
| Liquidambar styraciflua | P Mo |
|-------------------------|------|

### Liriodendron (Tulipier)

|                                      |   |
|--------------------------------------|---|
| Liriodendron tulipifera              | P |
| Liriodendron tulipifera "fastigiata" | P |

### Populus (Peuplier)

|                        |    |
|------------------------|----|
| Populus alba "italica" | Rn |
|------------------------|----|

### Prunus

|                                       |    |
|---------------------------------------|----|
| Prunus accolade                       | Rn |
| Prunus cersifera "nigra" (pissardii)  | Rn |
| Prunus serrulata "kazan"              | P  |
| Prunus serrulata "kikushidare-zakura" | Rn |

### Salix (Saule)

|                     |    |
|---------------------|----|
| Salix alba "tritis" | Rn |
|---------------------|----|

### Sorbus (Sorbier)

|                  |    |
|------------------|----|
| Sorbus aucuparia | Rn |
|------------------|----|

### Tilia (Tilleul)

|                 |    |
|-----------------|----|
| Tilia euchlora  | Rn |
| Tilia tomentosa | Rn |

## ARBUSTES D'ORNEMENT

### Acer

Acer ginnala Rn

### Acuba

Acuba japonica "crotonifolia" P

Acuba japonica "rosannie" P

### Amelanchier

Amelanchier canadensis P

### Berberis

Berberis buxifolia "nana" Rn Co

Berberis julianae Rn Co

Berberis thunbergii "atropurpurea" Rn

Berberis thunbergii "atropurpurea" Rn

### Buddleja (Arbre à papillon)

Buddleja davidii "black nigh" P

Buddleja davidii "pink delight" P

Buddleja davidii "withe profusion" P

### Buxus (Buis)

Buxus sempervirens P

Buxus sempervirens "suffruticosa" Rn

### Callicarpa

Callicarpa giraldii "profusion" P

### Calycantus

Calycantus floridus P

### Cercidiphyllum

Cercidiphyllum japonicum Co P Rn

### Chaenomeles

Chaenomeles x "boule de feu" P

### Chimonanthus

Chimonanthus preacox P

### Colutea

Colutea arborescens Rn

Colutea arborescens Rn

### Cornus (Cornouiller)

Cornus alba "aurea" Rn

Cornus alba "elegantissima" Rn

Cornus alba "siberica" Rn

Cornus alba "siberica" Rn

Cornus florida "Rainbow" P

Cornus kousa Co Rn

Cornus kousa "satomi" Co Rn

Cornus stolonifera "flaviramea" Rn

|                                    |      |
|------------------------------------|------|
| <b>Corylus (Noisetier)</b>         |      |
| Corylus avellana                   | Rn   |
| Corylus avellana "contorta"        | Rn   |
| Corylus avellana "purpurea"        | Rn   |
| <b>Cotinus (Arbre à perruques)</b> |      |
| Cotinus coggygria "rubrifolius"    | Rn   |
| Cotinus x dummeri "grace"          | Rn   |
| <b>Cotoneaster</b>                 |      |
| Cotoneaster dammeri "eichholz"     | P    |
| Cotoneaster "franchetti"           | P    |
| <b>Deutzia</b>                     |      |
| Deutzia "gracilis"                 | Rn   |
| Deutzia "magnifica"                | Rn   |
| Deutzia x "mont rose"              | Rn   |
| <b>Euonymus</b>                    |      |
| Euonymus europaeus "red cascade"   | P    |
| Euonymus fortunei "emerald gold"   | P Rn |
| Euonymus fortunei "emerald gaytii" | P Rn |
| Euonymus fortunei "sunspot"        | P Rn |
| <b>Exochorda</b>                   |      |
| Exochorda "the bride"              | P    |
| <b>Forsythia</b>                   |      |
| Forsythia x "marée d'or"           | P Rn |
| Forsythia x "spectabilis"          | Rn   |
| <b>Gleditsia</b>                   |      |
| Gleditsia "sunbust"                | P    |
| <b>Hammamelis</b>                  |      |
| Hammamelis virginiana              | P    |
| <b>Hibiscus (Althea)</b>           |      |
| Hibiscus syriacus "freedom"        | P    |
| Hibiscus syriacus "Marina"         | P    |
| Hibiscus syriacus "Mathilde"       | P    |
| <b>Hydrangea</b>                   |      |
| Hydrangea "annabelle"              | P Rn |
| Hydrangea "bleubird"               | P Rn |
| Hydrangea paniculata "grandiflora" | P Rn |
| Hydrangea paniculata "kyusku"      | P Rn |
| Hydrangea paniculata "unique"      | P Rn |
| Hydrangea serrata "preziosa"       | P    |
| Hydrangea "quercifolia"            | P    |
| <b>Hypericum</b>                   |      |
| Hypericum hookerianum "hidcote"    | Rn   |
| <b>Ilex (Houx)</b>                 |      |
| Ilex aquifolium "alaska"           | P    |
| Ilex crenata "golden gem"          | P    |

|   |       |
|---|-------|
| <b>Kerria (Corète)</b>                  |       |
| Kerria japonica "pleniflora"            | Rn    |
| <b>Kolkwitzia</b>                       |       |
| Kolkwitzia "pink could"                 | P     |
| <b>Laburnum (Cytise)</b>                |       |
| Laburnum watereri "vossii"              | Rn    |
| <b>Lavandula (Lavande)</b>              |       |
| Lavandula angustifolia "hidcote blue"   | P Rn  |
| <b>Lespedeza</b>                        |       |
| Lespedeza thumbergii                    | P     |
| <b>Leucothoe</b>                        |       |
| Leucothoe walteri "rainbow"             | P     |
| <b>Magnolia</b>                         |       |
| Magnolia liliflora "nigra"              | P     |
| Magnolia x soulangeana                  | P     |
| Magnolia x stellata                     | P     |
| <b>Malus (Pommier à fleurs)</b>         |       |
| Malus coccinella "courtarou"            | P Rn  |
| Malus perpetu "evereste"                | P Rn  |
| <b>Perovskia</b>                        |       |
| Perovskia "superba"                     | P     |
| <b>Philadelphus (Seringat)</b>          |       |
| Philadelphus virginialis                | Rn    |
| <b>Physiocarpus</b>                     |       |
| Physiocarpus opulifolius "dart's gold"  | Rn    |
| Physiocarpus opulifolius "diabolo"      | P     |
| Physiocarpus opulifolius "diabolo d'or" | P     |
| <b>Potentilla (Potentille)</b>          |       |
| Potentilla fruticosa "abbotswood"       | Co Rn |
| Potentilla fruticosa "gold finger"      | Co Rn |
| Potentilla fruticosa "pink beauty"      | Co Rn |
| <b>Prunus</b>                           |       |
| Prunus "accolade"                       | Rn    |
| Prunus cerasfera "nigra"                | Rn    |
| Prunus laurocerasus "zabeliana"         | P     |
| Prunus serrulata "amanogawa"            | P     |
| Prunus serrulata "kazan"                | P Rn  |
| <b>Ribes (Groseillier à fleurs)</b>     |       |
| Ribes sanguineum "king edouard VII)     | Rn    |
| <b>Rosa (Rosier)</b>                    |       |
| Rosa "the fairy"                        | P Rn  |
| Rosa "the fairy root"                   | P Rn  |

|  |       |
|--|-------|
| <b>Salix (Saule)</b>                         |       |
| Salix caprea "kilmarnock"                    | Co Mo |
| Salix purpurea "gracilis"                    | Rn    |

## PLANTES DE TERRE DE BRUYERE

### Acer (Erable)

|                              |      |
|------------------------------|------|
| Acer palmatum "atropurpurea" | P Rn |
|------------------------------|------|

### Azalée

|                            |    |
|----------------------------|----|
| Azalée japonaise "alotria" | Co |
|----------------------------|----|

|                               |    |
|-------------------------------|----|
| Azalée japonaise "little red" | Co |
|-------------------------------|----|

|                         |    |
|-------------------------|----|
| Azalée molis "homebush" | Co |
|-------------------------|----|

|                                  |    |
|----------------------------------|----|
| Azalée molis "homebush H. Witte" | Co |
|----------------------------------|----|

|               |    |
|---------------|----|
| Azalée luteum | Co |
|---------------|----|

|                         |    |
|-------------------------|----|
| Azalée luteum "nabucco" | Co |
|-------------------------|----|

### Rhododendron

|                                 |    |
|---------------------------------|----|
| Rhododendron X "blue tit major" | Rn |
|---------------------------------|----|

|                                |    |
|--------------------------------|----|
| Rhododendron X "Marcel Menard" | Co |
|--------------------------------|----|

|                              |    |
|------------------------------|----|
| Rhododendron X "Goldflimmer" | Co |
|------------------------------|----|

|                                |    |
|--------------------------------|----|
| Rhododendron X "Purple Pillow" | Co |
|--------------------------------|----|

|                           |    |
|---------------------------|----|
| Rhododendron X "Red Jack" | Co |
|---------------------------|----|

|                                      |    |
|--------------------------------------|----|
| Rhododendron repens "Scarlet Wonder" | Co |
|--------------------------------------|----|

### Pieris

|                                 |    |
|---------------------------------|----|
| Pieris japonica "mountain fire" | Co |
|---------------------------------|----|

|                                |    |
|--------------------------------|----|
| Pieris japonica "little heath" | Co |
|--------------------------------|----|

### Calune & erica

|                  |   |
|------------------|---|
| Couleurs variées | P |
|------------------|---|

|                  |   |
